Le Marseille Marseillaise

~~Marseillaise~~

Ye sons of France, awake to glory  
Hark, hark, what <sup>myriads</sup> myriads did bid  
you rise

Your children, wives & grandfathers  
Hark, see their tears & hear their  
cries

" " " " "

"

Shall hateful tyrants mischief, <sup>posts</sup> posts  
breeding with ~~barons~~ hireling host  
~~and~~ sufficient band, affright &  
~~desolate~~ ~~delans~~ desolate land  
while peace & liberty lie bleeding  
to arms to arms, ye brave  
the avenging sword ~~is~~ unsheathed  
March on, March on, ~~our~~ all hearts  
set resolved on life & death.
